

El Rio Patient Portal is Here!

MY EL RIO PATIENT PORTAL

What is Patient Portal?

It's a secured, online website that is specific to your Primary Care Provider (PCP) and gives you convenient 24 hour access to your Personal Health Information (PHI) and medical record.

It's accessible from anywhere with an internet connection once you have registered.

3 quick and easy ways to sign up for the Patient Portal

1. Self Enrollment via website:

Go to myelrio.org

2. Personal e-mail:

Give your e-mail address to any front desk staff member. You will receive an e-mail with your temporary username, password and instructions.

3. APP Store:

- Receive a "token" number from your doctor's office.
- Download the free NextGen Patient Portal app.
- Open app and click:
