

## GRANT RD MEDICAL EQUIPMENT RFP

### Q AND A

**Q:** For line item number 10, can I sub in our private label wall diagnostic system? It's the exact same one made by Welch Allyn with the exact same scopes and configuration. The only difference is it will have our logo sticker on it. This will reduce you cost by about \$50 each!

**A:** Yes, you may substitute this item as long as it is the same as what we are asking for and works the same (Please include brochure with bid).
